BRING SUBSTANTIAL GAINS ALONG THE SALES FRONT

"There's something about a soldier" . . . that keeps the cash register ringing. Now take these numbers. BRAND NEW soldier sets — 10 large, full shaped figures per set mounted on attractive card for one dime! Or weigh the value in that U. S. Armored car with movable guns—the Anti-aircraft Gun or the Searchlight, both movable and mounted on heavy duty truck. The gun tractor has real action tread—the cannons really shoot. The high speed Army Tank is a great performer on the roughest ground. All equipment runs on real rubber. Now is the time to maneuver your stocks into position for the big drive!
