## FEEL OF THE BIG JOBS

Gibbs Metal Miniatures are micro-sized replicas of the big jobs, cast in exact scale and duplicating all the details and operating features that make the difference between an imitation and the real thing. Each model is fully authorized by the original equipment manufacturer, so there's no question of authenticity.

Gibbs Metal Miniatures are scaled right, styled right and precision die-cast. For realism-minded hobbyists, and for the youngsters fascinated with hefty, husky machines, they're your best bet for sure, steady sales!

**No. 3-79**

**DROTT  
4 IN 1  
SKID SHOVEL**

Patented attachment is adaptable to many crawler tractors and loaders. Enables unit to be used as a bulldozer, skid-shovel, bullclam shovel, and clam shovel. It is hydraulically controlled, and because of the versatility of the front end action, it is very popular in construction work for loading and dumping and for sanitary fill operations. Sug. Ret. **79¢**

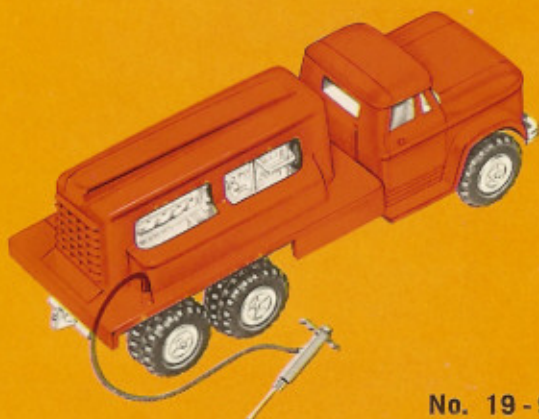

Indiv. boxed—Packed 2 doz. to crtn.—Ship wet. 4 lbs.

**No. 1-79  
AUTOCAR  
REAR DUMP  
TRUCK**

**METAL**

**MINIATURES**

**MERCHANDISING**

**MAGIC !**

Now Gibbs brings you two great metal miniatures merchandising ideas! One is the ultra-successful MM-67, the full-line display merchandiser that gives you an opportunity to build sales with the entire Metal Miniatures line-up.

The other Gibbs counter salesman is the new MM-9 Value-Pack. It's shipped to you in the same compact corrugated carton as the MM-1, but it includes only 9 different Metal Miniature models. It's just right for you who want to concentrate on a limited number of Gibbs Metal Miniature models.

Either way, you'll like the way these displays move the merchandise!
