FREE PRIZES for YOU

from Billy & Ruth

Boys and Girls:

Billy and Ruth, you know, visited Santa's Castle at the North Pole, where he has his big workshop, and my, oh my, when they opened the door and saw the toys of all sorts they clapped their hands in glee and broad grins spread over their faces. **WHAT DO YOU SUPPOSE THEY SAID?**

Well, you figure it out—just what would you say if you had Billy and Ruth's experience?

When you have decided what they said, fill in the entry blank and take it or mail it to the store whose name is on the front cover of this book. You may win one of the local prizes—**BILLY'S BIG STEEL COASTER WAGON** or a dandy **ELECTRIC SEWING MACHINE** just like Ruth uses.

In fact, you have a chance to win one of the big National Prizes—**A PONY, A BICYCLE**, or one of the other ones, a genuine **PARKER FOUNTAIN PEN AND PENCIL SET**. The National Prizes are in addition, you know, to the Local Prizes.

Read every word of the Rules of Contest on page 18. Fill in on the entry blank, carefully, of course, just what you think Billy and Ruth said and write down what you want for Christmas. Cut it out neatly because you wouldn't want to spoil this beautiful book which is your very own and which many little boys and girls keep for ever so long, and when they are real good children, Mother and Dad will buy something else for them. This blank must go to the storekeeper from whom you received this book of toys.

Then, the storekeeper will pick out from all the entries received, the very best ones and these Local Prizes will go to the lucky boy or girl—Billy's Big Steel Coaster Wagon and the Sewing Machine from the store whose name is on the front cover of this book. Then, the storekeeper will send these two letters to Billy and Ruth and they will read them carefully along with letters from children all over the country and then, they will make their selections for the National Prizes.

The boys and girls who win National Prizes will receive them from Billy and Ruth with a nice letter signed by Billy and Ruth—America's Best Known Toy Characters.
