

## The Sky Line

### Never before such features

STREAMLINED STAMPED STEEL FRAME, FORK AND HANDLE BARS. STREAMLINED RUBBER PEDALS AND HAND GRIPS. BIG  $\frac{5}{8}$  IN. RUBBER TIRES. COMFORTABLE, ADJUSTABLE SADDLE.

"Yes sir, a fellow can have a big, fine streamliner at low cost and here it is" says Billy. "I want you to see this speedy, green velocipede with strong ivory spoke wheels. Don't miss that big steel rear step plate for your passenger."

### Beautiful-Streamlined- no wonder tots love

### "SKY-TOT" PEDAL CAR

"The most beautiful pedal car in the world for tots up to 3 years" say Billy and Ruth. "Heavy pressed steel throughout—frame and seat, as well as step plate and safety hoods over rear tires are of one-piece construction. Handle bars have high knee clearance. Artillery spoke wheels.  $\frac{1}{2}$  in. rubber tires. Streamlined rubber pedals and hand grips. Finished in red and ivory enamel."

At a price that will surprise you

No. BR143

"Happy landing" says Billy

### MUNICIPAL AIRPORT

No. BR144

**\$1.00** With Electric Lights

"Boys, start your own Airways Line with this airport that is exactly like the real ones, even to its electric beacon lights, windsock, etc." says Billy. Red and green electric lights control incoming and outgoing plane traffic and an electric beacon in the tower guides them safely to the runways on the big landing field. Two  $4\frac{1}{2}$  in. and one  $7\frac{1}{4}$  in. airplanes to start your line. 2 bulbs furnished. No battery.

### The Tot's First Bike

**\$1.00**

No. BR145

### 24 $\frac{1}{2}$ inch SPECIAL DELIVERY TRUCK

"Fellows, set yourself up in the trucking business with this big, strong, good-looking Special Delivery Truck. Just like the big trucking companies use." Billy said to his buddy. "You can pile no end of packages in its big body and there's an end gate to unload. Made of heavy steel to 'take a beating'. Finished in bright red and green."

No. BR146

### Plan a trip—stopping at trailer camps! LAND CRUISER CAR AND TRAILER

The thrill of the open road in a "home-on-wheels". Streamlined? You bet—both the big sedan and its detachable trailer with rear opening door to pack your things. 26 $\frac{1}{4}$  ins. long—think of that! Made of heavy steel, enameled. Both cars have rubber wheels.

# CIRCUS PRINTING SETS

**25c**  
No. BR80  
**PLAYTIME PRINTER**

Have your own Print Shop—print signs and price cards for your play store. Set of 3/8 inch alphabet stamps and figures mounted on wood. Ruler, printing gauge, ink pad and cards included.

No. BR83 **METAL TAPPING SET**

**1.00** Billy and Ruth are keen for this set. "So easy to make beautiful pictures in hammered relief effects. Each picture in a frame. Just tap lightly with the hammer on two steel tapping tools following designs printed on each picture. Two large, two medium and two small size pictures."

**AMERICAN FLYER TYPEWRITER**

Types letters just like the real typewriter in Daddy's office" says Billy and Ruth. "You can type real letters to all your friends, do your homework, and help Daddy too. This typewriter prints thru a regular ribbon with real steel type that gives clear letters. Holds a large sheet of paper. You'll have years of pleasure and useful service with this typewriter of your own."

No. BR87 **\$2.00**

Billy prints the acts of a 3-ring circus with the 12 picture stamps of animals and performers in the paper pad included in this set—then colors them with the 4 crayons. There's an ink pad, of course. You'll have no end of fun making combinations of acts you've seen at the circus.

**50c**

No. BR81

No. BR82

"Fellows, you can print circus posters with this set" says Billy. There are 17 actual characters and acts from the circus; animals, clowns, trainers, trapeze artists, cages, etc. Then crayons to color pictures too. And with the rubber type included you can print the titles—captions and tickets. Ink pad, paper pad, printing gauge and ruler complete the set.

**\$1.00**

## Every boy will want a WOODBURNING SET

No. BR84
