DOLL HOUSE WITH FURNITURE

"A home of your own you'll be proud of," says Ruth. "It's a lovely two-story colonial style house with 2 chimneys. Attractively colored. It has 4 pillars and a porch. The windows look like glass and they have red shutters. Door opens and closes. But the best part," continues Ruth "is the fact that its four rooms are furnished."

TOOT-A-BOOT, THE MUSICAL SHOE

"Music Hath Charms" "With this colorful music-maker, you can play 4 songs. Turn the knob and you change your song, and picture appears at top of shoe illustrating the song. Just blow easily through the tube, while you finger the numbers on the keys. Music is soft and pleasant. The numbers appearing in the window match the numbers on the keyboard. Anyone can play it!"

DOLL HOUSE

"Just think, girls," says Ruth, "when you're through playing 'house' you can take your house apart in no time and it will be out of the way. No nails or bolts to bother with. Just slide the 4 pieces, that make up the house, into grooves and there it is. It's a two-story country house. Has chimneys, shutters, swinging door and windows you can see through."
