**HEAPS OF FUN
 WITH THESE**

TWIN-SPIN

"So exciting," exclaimed Ruth. "Yes," said Billy, "but you'll have to practice up a bit to beat me."

49c

"Try to make the marble spin 'round to that top chute. That's where I make my high scores." See what score you can make in Twin Spin.

POPEYE TARGET GAME

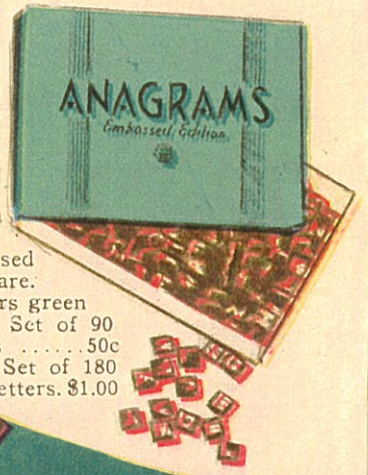

"It's such fun," Billy said to Ruth. "Watch me hit one of those targets old Popeye is holding." But almost any spot your dart hits you get a score, for there are numbers all around the edge of board. Rubber suction cup on dart makes this a safe game the whole family enjoys.

Visit all principal ports of the globe on a Clipper Ship. There are hazards, storms, winds, of course, but may the best sailor win.

Famous GOLD STAR Game

Ruth says—"Billy sure is wild about this big, exciting game, and I like it, too. When the ball whizzes around the double circle course and starts down, hitting pin after pin, I hold my breath until it lodges in one of the numbered places."
