WORLD FAMOUS STEIFF ANIMALS

Children and animals are just natural companions. If they cannot have a live dog, cat, pony, etc. children can have the next best—A Steiff Animal. Steiff animals are the world's best. They are made of the finest materials with texture and color carefully selected to resemble the actual. This, with their perfect conformation, and enduring quality, makes them outstandingly the best.

A 60-68 STEIFF SWINGING HORSE
(Exclusive)\$100.00
(3 to 6 yrs.)—A thoroughbred in appearance and performance. Of excellent conformation, covered with the best brown and white plush. He even has a voice. Seated in the red leather saddle, holding the leather reins with feet in the metal stirrups, the rider can thoroughly enjoy the gait of this champion as he swings back and forth on metal rods from his sturdy and quality made varnished wooden stand, measuring 54" long. Saddle 28" from the floor. Ship. wt. 97 lbs.

B 60-71 HORSE AND SULKY
(Exclusive)\$46.00
(3 to 5 yrs.)—What a thrill to actually drive this horse from the bucket shaped seat (20" high) by pedal action, with feet in the stirrups using the reins to control the direction. Sulky made of steel

tubing painted yellow, red and blue. Has two ball-bearing disc rear wheels with front wheel for steering. The plush covered horse well harnessed with jingling bells can be detached from the sulky for extra play value. Truly an outfit of great joy. Ship. wt. 20 lbs.

CHIMPANZEE. Just about the most popular animal in any zoo, hence their excellent resemblance to the real chimp makes these playful fellows highly desirable playmates. Covered with fine quality brown mohair plush with jointed head and legs. Has squeeze voice.

C 16-130 CHIMPANZEE 10" long.
Ship. wt. 2 lbs.\$3.00

D 16-131 CHIMPANZEE 13½" long.
Ship. wt. 3 lbs.\$5.50

E 16-69 RECORD PETER\$5.00
(1½ to 5 yrs.)—It's so much fun to see Peter move back and forth while sitting and holding the handle of his wooden wheeled coaster as his little master pulls him by the cord. It's amusing too to hear his squeek voice. Made of brown mohair plush with tinted felt features, hands and feet. Height 10". Ship. wt. 3 lbs.

F 27-141 LIFE SIZE POODLE
(Exclusive)\$28.00
The life-like appearance of this particular dog is simply amazing. His coat is of the finest quality pure white long mohair plush, clipped in the traditional French poodle manner. Wears a perky blue ribbon on top his head. Measures 20" high. Ship. wt. 6 lbs.

Other Poodles listed below are not illustrated. They are cute but admittedly they are not as realistic as the poodle illustrated.

16-63-7 WHITE POODLE\$6.00
Short white plush, leather collar. 10½" high, 12" long overall. Ship. wt. 2 lbs.

16-63-9 BLACK POODLE\$6.00
Same as above. Ship. wt. 2 lbs.

16-59-7 WHITE POODLE\$4.00
8" high, 9½" long overall. Ship. wt. 1 lb.

STEIFF TEDDY BEARS Just as popular today as the original of many years ago and rightly so, because teddy is a lovable child's companion. Made of brown mohair plush with jointed head, arms and legs. Collar with jingling bell adorns his neck and a press of his tummy makes a soft squeeking voice.

G 19-133 TEDDY BEAR 11" tall.
Ship. wt. 3 lbs.\$ 5.95

H 16-19 TEDDY BEAR 15" tall.
Ship. wt. 4 lbs.\$10.00

No price for any article listed or described herein exceeds the ceiling price for that article as determined under the applicable O.P.S. ceiling price regulation

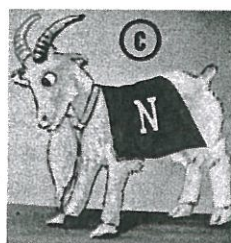

COLLEGE MASCOTS (Exclusive Import) Mascots bring good luck, hence owning one of these can help only the College it represents. Each measures about 10" high, made by an outstanding manufacturer for us exclusively from our own design. They are soft-bodied covered with the finest mohair plush and have excellent markings with very expressive movable eyes. The removable felt blankets are in the correct colors. Ship. wt. 3 lbs. each.

GIFTS FOR PARENTS TOO: Turn about is fair play—so youngsters who have for years been receiving gifts from their parents can now arrange to have their parents receive gifts from them. A group of very well made, properly priced and just a little out of the ordinary "presents for parents" is shown on Pages 74 to 77.

A 12-31 TIDY TRAY Ship. wt. 6 lbs.\$5.50
Mothers will find this Tidy Tray a real help when their children must be kept in bed. It gives a 12 x 20" working surface that can be tilted to four levels, as well as a beautiful tray for mealtime. Eight items for work or play, automatic pencil, crayons, scratch pad, stationery, ruler, scissors, book and whistle to call for service, fit into pockets of the removable, folding back. Legs of tray fold flat for easy handling. Of wood, ivory finished.

B 31-95 HAPPY HABIT Ship. wt. 1 lb.\$3.95
(3 to 10 yrs.)—Designed to make the brushing of teeth a happy event and not a chore, thereby helping children to form the desired "behavior pattern." Plastic house, 4 x 3 1/2 x 1 1/2" with a transparent window through which can be seen the Swiss music box movement, holds two tooth brushes. Remove brush from left holder and music starts; replace brush and the music stops. Suction cups secure the holder firmly to any flat surface.

C 3-6 KOO CHOO TRAIN AND BLOX Ship. wt. 4 lbs.\$4.00
(1 to 5 yrs.)—The circus is coming to town! The 20 1/2" Koo Choo Express of plastic blocks with little wooden bead wheels, consists of engine, 2 cars containing four transparent menagerie cages each, and caboose. In addition there are 8 animals each in 1 1/2" transparent plastic cage with tinkle-bell sound and 8 with miniature action merry-go-round, etc.

D 19-61 KOO ZOO BLOX Ship. wt. 4 lbs.\$4.00
(1 to 4 yrs.)—Designed for baby hands are these transparent cages (1 1/2" and 2" plastic cubes) each containing a different plastic wild animal or miniature, action merry-go-round, ferris wheel, balancing clowns, acrobatic monkey, etc., have a bell-like tinkle (to add sound appeal) and are so designed to withstand the banging and "shock" of everyday play. The corners and edges are safely rounded and because they float, will make baby's bath a menagerie of joy, instead of a chore. 24 to the set. Gaily colored.

E 40-181 JACK'S PONY Ship. wt. 20 lbs.\$8.95
(2 to 5 yrs.)—No need to wait for a playmate to enjoy this toy to the utmost. Bouncing up and down may not be done in the best equestrian style, but it's a fun-giving, body strengthening sport. It may be used outdoors, or in and will not move about or injure the floors. It is adjustable to size of child and has a wide heavy metal spring with solid wooden supports and seat, with horse's head to serve as a hand grip and attractively painted.

D 40-209 MOBO PONY\$6.95

(1½ to 2½ yrs.)—Wee tot can either sit in pony's

saddle or push him with the sturdy handle. He is made of durable steel with all welded construction, and is protected by dapple grey baked enamel, with red, yellow and green trimmings. Mounted on 3 easy rolling wheels, Mobo Pony stands 21" high, 18½" long and 5½" wide. Ship. wt. 10 lbs.

E 40-216 MOBO PONY EXPRESS ..\$18.95

(1 to 6½ yrs.)—A new combination vehicle, imported from England, which the youngster can pedal alone or which can be converted into a stroller by the simple insertion of a handle with extra propelling power supplied by Mother for longer trips. The Pony and Cart, measuring 34" overall is almost indestructible as it is completely made of heavy gauge steel with all welded construction protected by multiple baked enamel coatings of dapple grey with red and blue trimmings. Has rubber tired wheels, adjustable seat and is easily assembled. Ship. wt. 26 lbs.

MECHANICAL PUPS (All ages) The Mobo Scottie (or Spaniel) fascinates youngsters — and sometimes their parents too. Adults have been known to buy them in pairs for racing. No winding, just gently squeeze and release the grip at the end of the control cable (any child can do it) and off scamper these playful pups, with the most amusing leg

motions. Staunchly built of steel with hidden rubber wheels and beautifully finished in bright, durable enamel colors. Measure 12" x 8" x 4¾" high.

F 19-77 MOBO SCOTTIE\$2.95

Ship. wt. 3 lbs.

Ship. wt. 3 lbs.

H 40-205 MOBO BRONCO\$29.95

(2½ to 6 yrs.)—The new wonder horse imported from England that moves forward. No skill is required—simply the action of the rider as he rises and sits. Mobo Bronco moves and that's all there is to it. Pressure of the feet on the stirrups makes the front legs move forward while the child's weight returning to the saddle causes the back legs to move forward. Mobo is steerable by leaning weight to one side or the other. Mobo is almost indestructible as he is completely made of automobile gauge steel with an all welded construction protected by multiple baked enamel coatings of dapple grey with red and blue trimmings. Mounted on easy-rolling, hard rubber wheels. The horse's saddle seat is 19" to the floor. Ship. wt. 27 lbs.
