

Schoonhut's HUMPTY DUMPTY CIRCUS TOYS

HUMPTY DUMPTY CIRCUS—For boys and girls ages 4 to 14. Happy are the childhood memories of those who played with the most wonderful toy of all, "The Humpty Dumpty Circus." Jointed wooden figures (measuring 6½" tall) of colorful clowns and animals together with props, offer a challenge to children's ingenuity for making the performers do endless balancing acts. A product of lasting quality. A circus right at home all year round.

A 12-20 HUMPTY DUMPTY CIRCUS TENT\$5.00

Designed especially for Humpty Dumpty performers. White drill tent with gay candy striped top, decorated with American flags. Has open front and curtained entrance doorway in back. Mounted on a 15 x 22" wooden framed base, the tent measures 23" high and has two swinging trapeze bars for the spectacular performers. Performers etc. not included—see below. Ship. wt. 6 lbs.

B 3-27 HUMPTY DUMPTY "PARADE SET" Ship. wt. 10 lbs.\$25.00

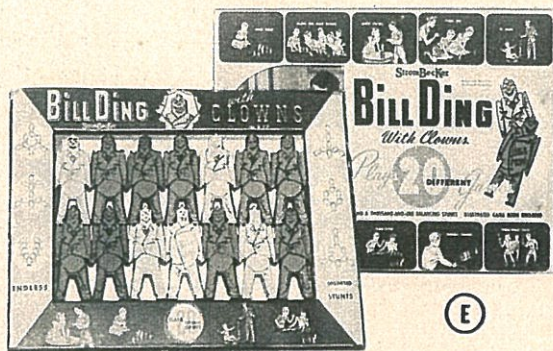

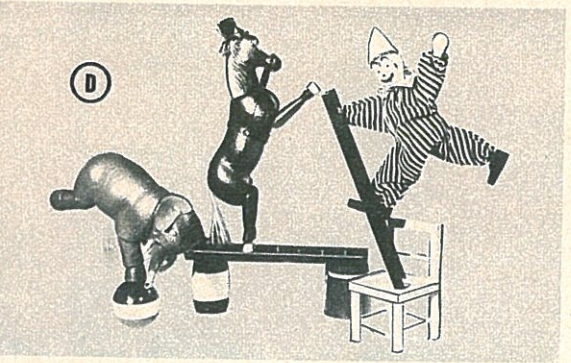

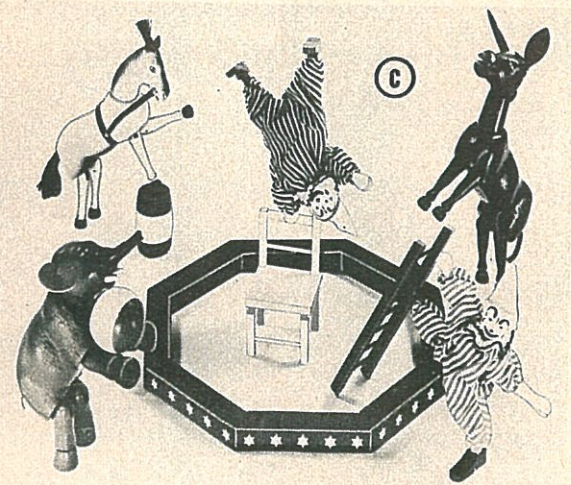

Consists of elephant, donkey, 2 clowns, cowboy, cowpony, 2 highschool horses, chair, ladder, pedestal, barrel, circus ring, ball, weights, 2 flags, lasso and corral. Tent not included. See above.

C 3-26 HUMPTY DUMPTY "MAIN RING SET" Ship. wt. 7 lbs.\$15.00

Has elephant, donkey, 2 clowns, highschool horse, chair, ladder, barrel, circus ring and ball.

D 3-25 ELEPHANT-HORSE SET Ship. wt. 5 lbs.\$10.00

With elephant, clown, highschool horse, chair, 2 ladders, tub, barrel, ball and weights.

E 3-40 BILL DING CLOWNS\$3.00

(4 yrs. up)—Fourteen wooden clowns, in gay colors, whose notched shoulders, feet, arms and heads make it easy to build them into acrobatic pyramids and varied figures, in a circus-like manner. Ship. wt. 3 lbs.

3-78 Clown \$2.20

3-136 Highschool Horse \$3.00

Individual figures. Ship. wt. 1 lb. each.

3-135 Cow pony \$3.00

3-92 Elephant \$2.75

3-83 Cowboy \$2.75

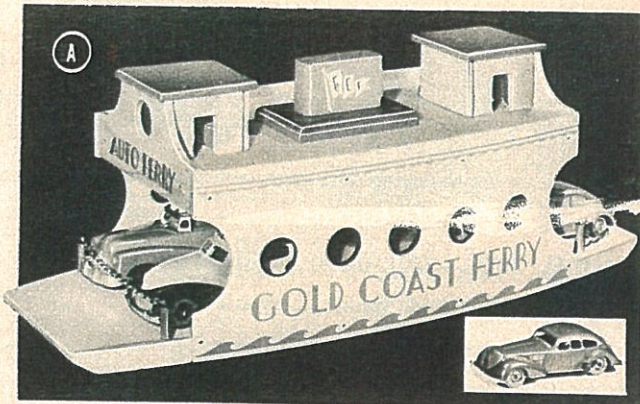

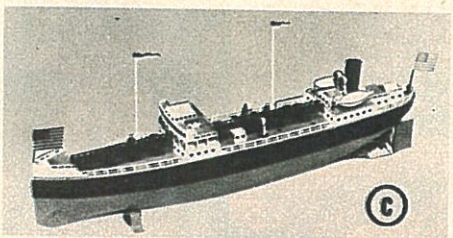

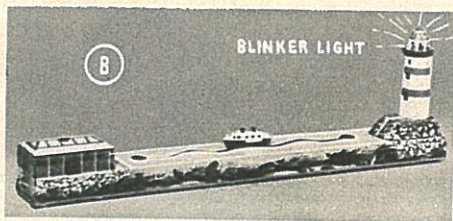

3-101 Donkey \$2.75

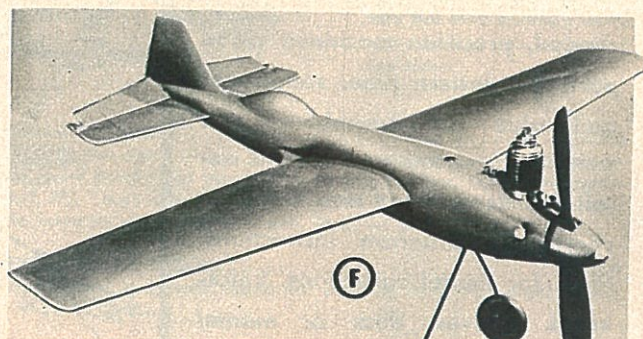

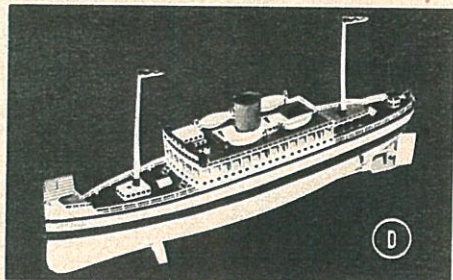

A 11-3 AUTO FERRY BOAT WITH CARS (Exclusive) \$10.00

(3 to 6 yrs.)—It's such fun to own and operate a ferry boat, collecting fares for automobiles and passengers. This sturdy model ferry boat is mounted on small wooden wheels for easy floor navigation. Solid wooden hull with plywood super structure in natural varnished finish with red and blue trim, measures 22" overall. A cargo of four small all-metal cars (3 with wind-up spring motors) are included. Ship. wt. 10 lbs.

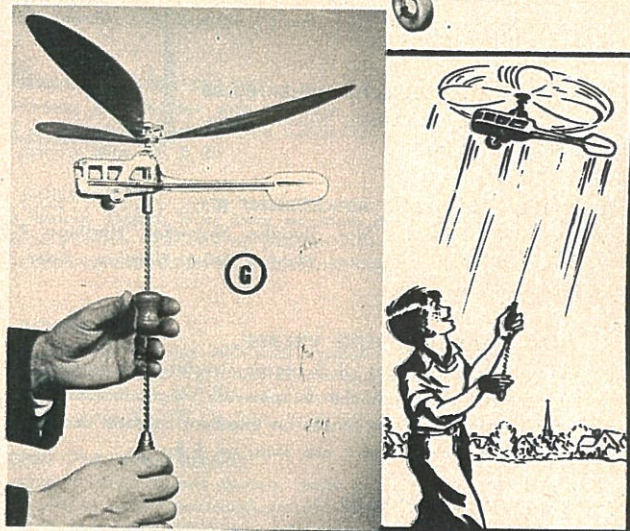

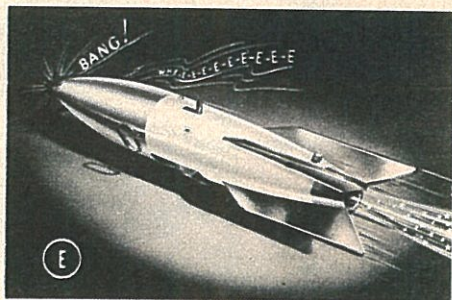

B 4-66 MECHANICAL LIGHTHOUSE SET (Imported) . . \$2.50

(4 yrs. up) An amusing wind-up toy consisting of a tiny boat that travels upon a wavy ocean, automatically reversing at each end of its channel course while the lighthouse blinks its warning. Made entirely of metal, 1 3/4" x 15" long. Ship. wt. 2 lbs.

C 4-61 MECHANICAL OIL TANKER (Imported) . . . \$12.95

(4 yrs. up) The skipper of this fast, trim looking ocean going oil tanker winds up the vessel's excellent spring motor and she is ready for a long voyage. Fine quality workmanship and material make this a long lasting water toy. All metal with baked enamel finish in red, black, white and green. Two life boats swing on davits and pennants fly from her mastheads. Hull measures 20" long. Ship. wt. 5 lbs.

D 4-71 MECHANICAL YACHT (Imported) \$12.95

(4 yrs. up) Any young sea captain would be proud of this beautiful luxury passenger liner. Her well made, well designed all metal hull, measuring 20" long, fairly glistens with a spotless white paint and blue trim. She's fast too! Powered by a strong, long running spring motor. Four life boats swing on davits. Ship. wt. 5 lbs.

E 4-41 TOMIC ROCKET \$3.25

(4 to 6 yrs.)—A fifteen inch red and white plastic rocket that is wound up to speed along the floor emitting flint sparks from its exhaust as it goes, plus a rocket like whining sound. (We cannot sell cap pistol caps but where available they may be used with toy to suggest an explosion). Ship. wt. 3 lbs.

for a perfect 3 point landing. Being all plastic, it's good for the green pilot. See Kit below. Ship. wt. 2 lbs.

60-17 ACCESSORIES KIT FOR ABOVE PLANE. . \$2.25

Consisting of fuel, pouring spout, fueling tube, connector clip, wires and battery. Ship. wt. 4 lbs.

G 19-113 FLYING HELICOPTER (Imported) \$3.95

Suspended under the triple 9" long propeller blades in typical helicopter fashion is the 11" shiny metal fuselage of this new and fascinating performer. It flies, glides, circles and does tricks. Simply place the helicopter on the end of the propulsion stick and by pulling the handle down, the blades are made to rotate, lifting the plane into flight. Ship. wt. 4 lbs.

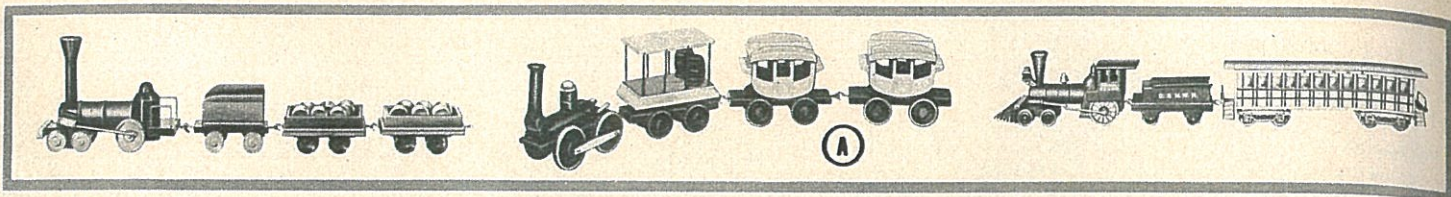

F 12-15 AEROMITE AIRPLANE \$9.95

(12 yrs. up) A ready to fly all plastic model plane with 17" wingspan, a real one cylinder engine and flight control unit. Plane handled from the ground. Stout linen threads attached to the elevator make it easy to control.

H 3-79 SKYRO PLANE \$3.00

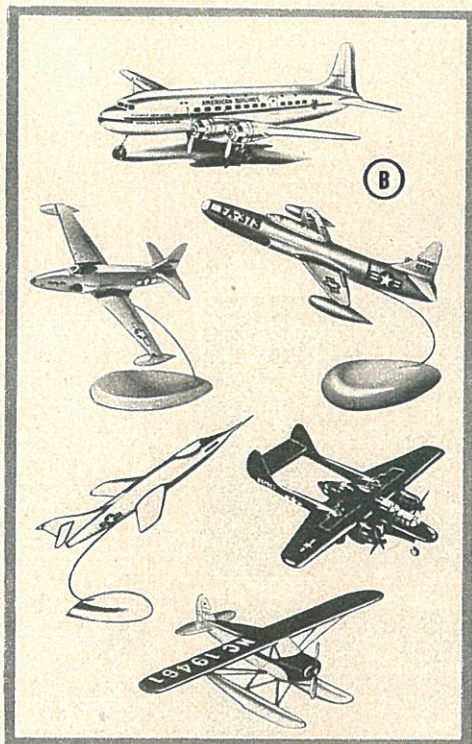

(7 yrs. up) Something new and interesting to those kite fliers. A silvery, half-ounce plane with revolving wings that spread 18". Flight is

and reel in the hands of the flyer. Its ceiling is limited only by the length of the thread. 210' included but with additional thread it can, with a favorable breeze, easily and gracefully climb to

MODEL SETS — (All ages) — Scale models of famous trains and aircraft for fans and collectors. These famous Strom-Becker solid wood model assembly kits contain ready shaped, precision machined wood parts of western pine; sandpaper and glue for assembling and smoothing; decals in authentic detail for decoration; and complete chart and diagram instructions. Ideal for model collections, knick-knack shelves, desk or mantel ornamentation, model building competitions.

A 19-66 HISTORICAL TRAINS (Kit) \$3.25
Pioneer Train, Dewitt Clinton, William Gallo-way. Ship. wt. 4 lbs.

B 3-129 SIX PLANE ASSORTMENT (Kit) \$5.35
Lockheed P-80 Shooting Star, Douglas Skyrocket, Northrop P-61C (Black Widow), Lockheed Interceptor Fighter, DC-6 Flagship, Piper Cub Super Seascout. Ship. wt. 3 lbs.

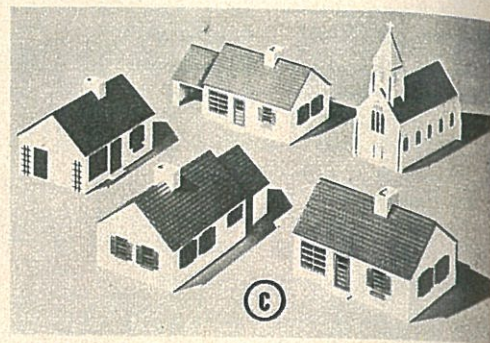

C 4-70 PLASTIC SKYLINE VILLAGE \$4.95
(4 yrs. up)—A colorful set of 5 plastic structures (4 houses and 1 church) measuring 4 1/2" high with church spire 8 3/4" high. Houses have removable roofs for interior play. Set makes an excellent railroad accessory, Christmas decoration, automobile center, etc. Ship. wt. 6 lbs.

D 4-56 MODEL VILLAGE \$6.00
(3 to 6 yrs.)—This has ben a favorite with children for a long, long time . . . mostly because it's easy to use, easy to play with. The little village complete with all types of houses, a factory, school, roadside restaurant, barn, store, gas station, church, (16 wooden structures in all), 6 house plots, 4 "brick" wall sets, 3 trees and 3 tiny wooden trucks offer endless play-situations for children's amusement. Ship. wt. 9 lbs.

4-55 MODEL VILLAGE (Not Illustrated) \$3.75
Similar to above only with 8 wooden structures. Ship. wt. 6 lbs.

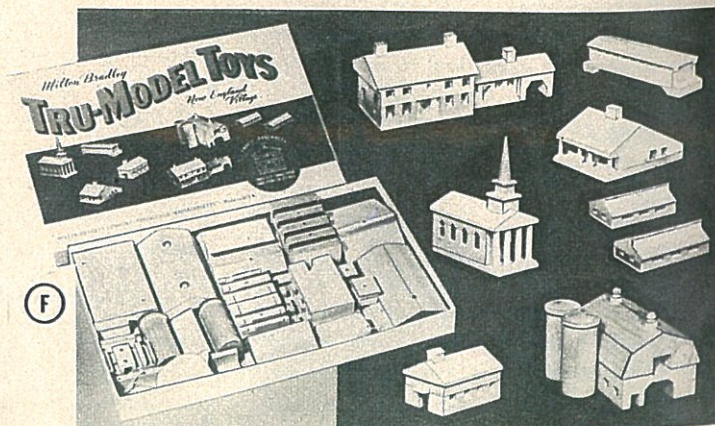

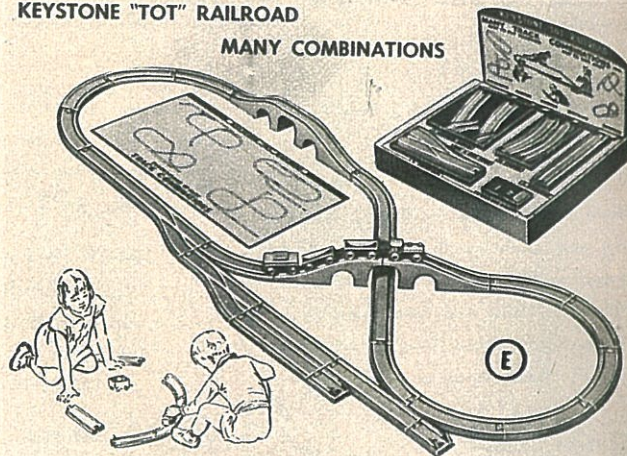

E 4-54 "TOT" RAILROAD \$6.00
(4 yrs. up)—The very first railroad for the "little tots". Many different track layouts can be made with the 26 pieces of plastic railroad equipment, consisting of 12 curved, 6 straight track, 2 switches, 4 bridge sections and 2 dead ends. Loco and three little cars are solidly constructed of wood. Track joints interlock for easy assembly and simple separation. Track can be used for most miniature autos. Ship. wt. 6 lbs.

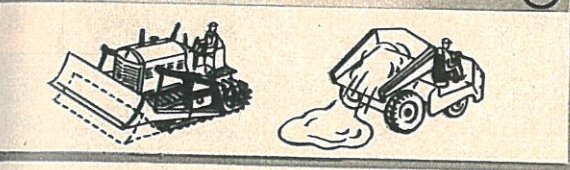

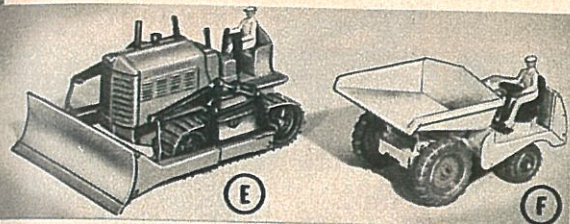

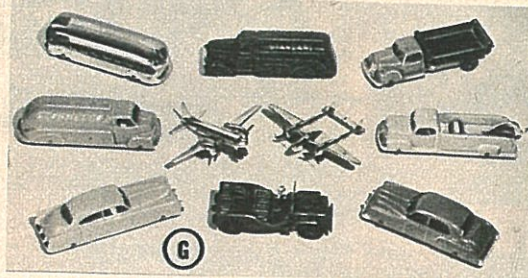

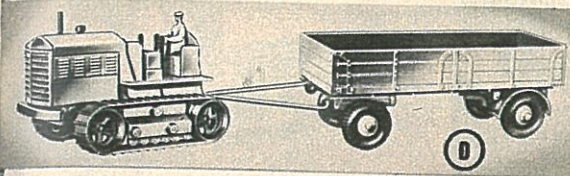

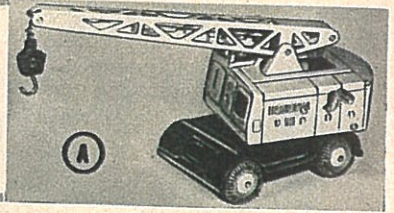

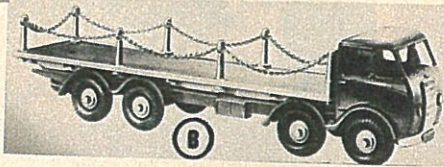

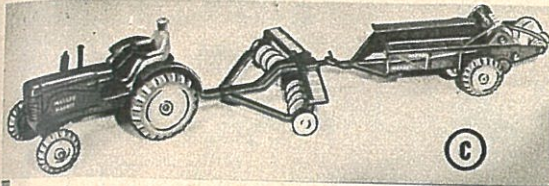

F 3-81 NEW ENGLAND VILLAGE (Tru-Model Toys) \$5.50
(4 to 8 yrs.)—Ready to assemble and easy to build, this accurately made miniature New England Village includes house and extension, barn, 2 silos, 2 hen houses, church, school, country store and covered bridge. All pieces are hardwood cut-outs with natural wood finish, pegged and holed for assembly into firmly held buildings. Church size 6 1/2" tall, 3" wide, 5" long. Other pieces in proportion. Ship. wt. 4 lbs.

KEYSTONE "TOT" RAILROAD

MANY COMBINATIONS

DINKY TOYS—From England come these beautifully made die-cast scale models, finely finished in correct colors with interesting details. Young and old alike love to collect these motorless but very accurate miniatures. Here are a few of the latest.

A 2-401 DINKY MOBILE CRANE\$3.50

A splendid model of the English Coles Mobile Crane; this crane's jib can be raised or lowered by turning one crank handle and the load by turning another. The whole superstructure can be rotated. 7½" high with jib fully extended. Of yellow enameled metal, with rubber wheels. An operator sits in cab of crane. Ship. wt. 2 lbs.

B 2-69 DINKY FODEN FLAT TRUCK\$3.00

Model of a heavy duty flat bed truck with chains for securing load. Has eight wheels and measures 7½". Ship. wt. 2 lbs.

C 2-67 DINKY FARM EQUIPMENT\$3.35

A three piece unit of Massey-Harris farm equipment. Farm Tractor with driver—Manure Spreader with revolving spreader and Disc-Harrow with moving parts. Overall measurement 11". Ship. wt. 2 lbs.

D 2-503 DINKY TRACTOR WITH TRAILER\$3.85

Detailed model of a heavy duty tractor with operator at controls, revolving rubber caterpillar treads and an attachable rubber tired trailer. Of metal, carefully enameled and measuring 8½" overall. Ship. wt. 2 lbs.

E 2-129 DINKY BULLDOZER\$4.50

A scale model of the famous English Blaw Knox machine; blade is raised by pulling back lever which locks in position—lowered by pushing lever forward. Realistic creeper track. Enameled red, cylinders and actuating arms black. 5½" long; scale 11/32" to foot. Ship. wt. 2 lbs.

F 2-230 DINKY DUMPER TRUCK\$2.50

A model of the English Muir-Hill machine with well shaped bucket that dumps its load—driving seat can be turned around so truck may be driven backward with driver facing right direction. Front axles adjustable for curved runs. Enameled bright yellow, wheels have red centers. 5" long; scale 11/32" to foot. Ship. wt. 2 lbs.

G 4-37 TOOTSIEYOT PLAYTIME DELUXE\$3.50

(2½ yrs. up)—These small brightly colored models, exact in every detail and equipped with "Rol-Ezy" rubber wheels, are a perennial delight. This new fleet of 10 models includes 2 streamlined passenger cars, one bus, two oil tankers, two trucks, two airplanes and a rugged little jeep. Average length 5½ inches. Ship. wt. 5 lbs.

H 10-24 BUS TERMINAL AND PLAYING LOUD-SPEAKER\$6.00

(4 to 9 yrs.)—A very busy Bus Terminal all set up. Equipped with two automatic track signals, working luggage conveyor in and out of station, rotating traffic officer, standard bus with luggage compartment and door, actual voice loud-speaker, announcing selected departures and arrivals, operating from special hand-cranked phonograph record. Base 13½ x 23". Ship. wt. 7 lbs.

J 10-23 SERVICE STATION\$8.00

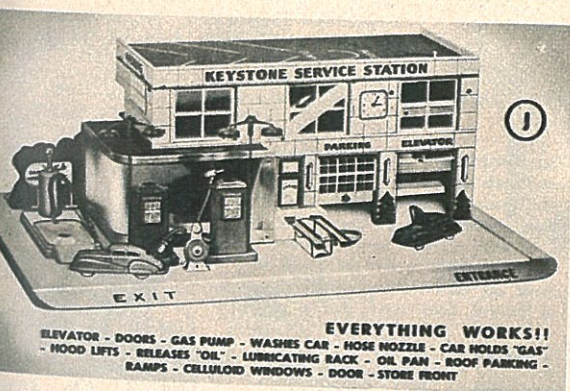

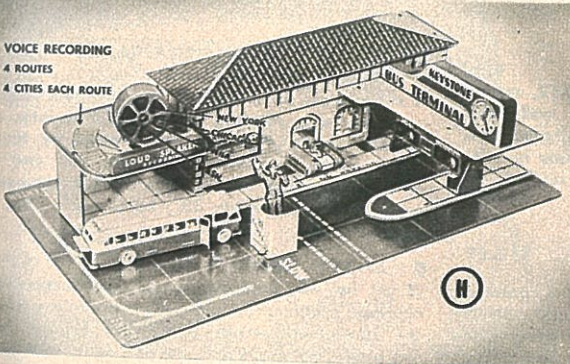

(4 to 9 yrs.)—This 15½ x 24" well equipped two-story service station, made of highly colored masonite and tekwood, is open for business. Everything is here—crank elevator and door, traffic light with changing signals, recirculating water washpit, air reel, two operating gas pumps with nozzle valves, standard lifting lubricating rack, 3 "penny" parking meters on roof, traffic officer, ramp, two cars with lifting hoods, working "gas" tanks and "oil" drains, automatic service door lifting automatically when touched with car bumper. Ship. wt. 8 lbs.

10-22 SERVICE STATION (Not illustrated)\$5.00

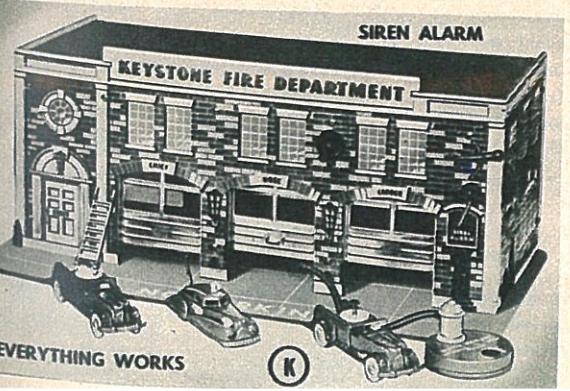

Similar to above but somewhat smaller (13½ x 23") and without traffic light, officer, parking meters, and extra car and gas pumps. Ship. wt. 6 lbs.

K 10-4 FIRE DEPARTMENT\$4.75

(4 to 9 yrs.)—Real action for a young fire fighter. As the crank-handle is turned, siren sounds, doors open, and the plastic pump engine, aerial ladder and chief's car roll out from the 9¼ x 17¼" Fire Station by spring action. Pump engine has real pump, aerial ladder will extend and pivot. With the pump engine connected to the hydrant reservoir, the hand operated pump in the engine sprays water to put out imaginary fires. Fire Station is made of highly colored masonite and tekwood. Ship. wt. 6 lbs.

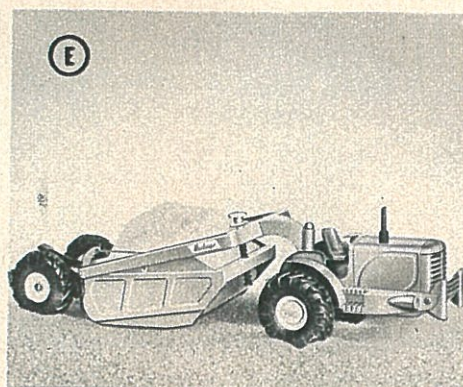

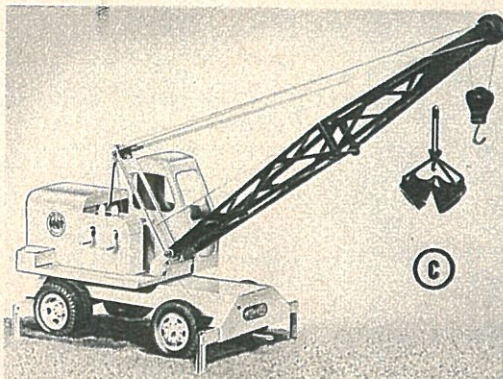

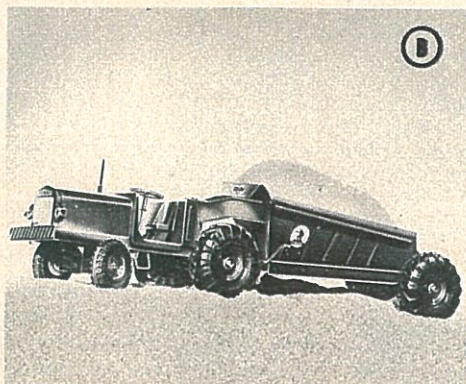

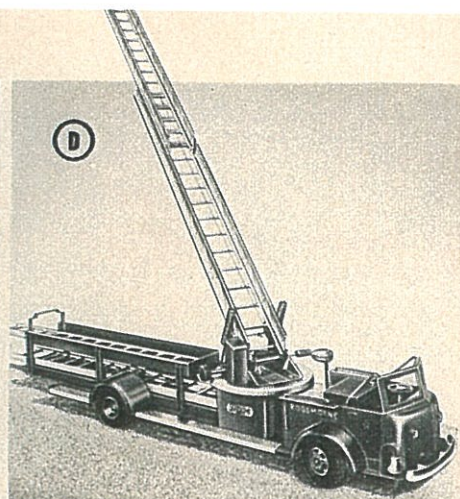

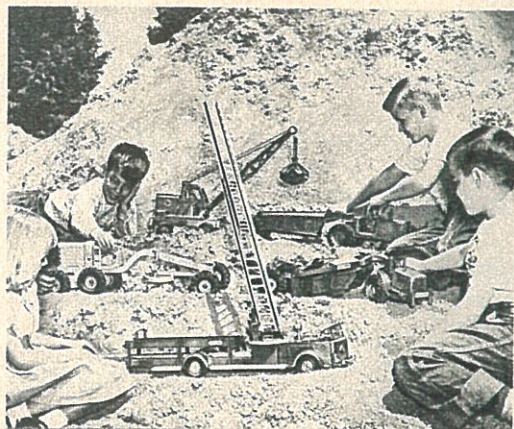

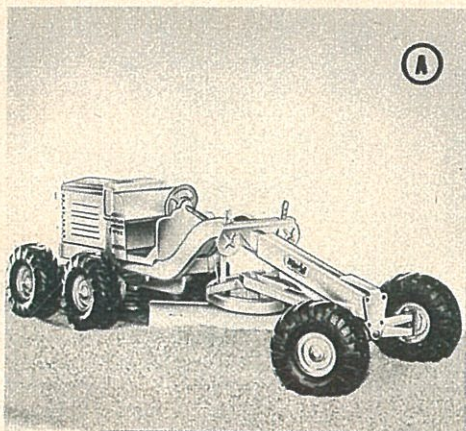

EVERYTHING WORKS!!
ELEVATOR - DOORS - GAS PUMP - WASHES CAR - HOSE NOZZLE - CAR HOLDS "GAS"
HOOD LIFTS - RELEASES "OIL" - LUBRICATING RACK - OIL PAN - ROOF PARKING -
RAMPS - CELLULOID WINDOWS - DOOR - STORE FRONT

EVERYTHING WORKS

K

A 27-114 ROAD GRADER\$13.95

Authorized scale reproduction of J. D. Adams heavy duty Road Grader for scraping earth. Fine in building or repairing roadway or airport. Painted bright orange. Overall length 25". Ship. wt. 16 lbs.

B 27-169 EUCLID DUMP TRUCK ..\$13.95

Authorized scale reproduction of the famous Euclid "Bottom Dump" Truck. Trailer unhitches from coupling post so that tractor can be used to tow other Model Toys. Steerable front wheels, loads and dumps with a flick of the hand lever. Overall length 27". Ship. wt. 13 lbs.

MODEL TOYS

(5 yrs. up)—Scale model 1/16 and 1/12, reproductions (good enough to bear the trademark and name of the real ones), and actually perform the same work. Sturdily built, using same metals, paint and designs, even the exact replicas of genuine Goodyear tires.

C 27-106 MOBILE CRANE\$13.95

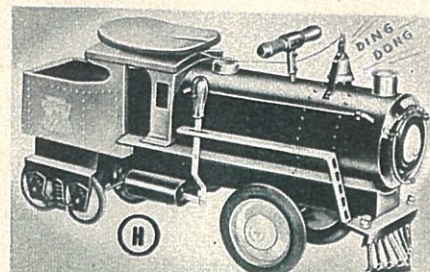

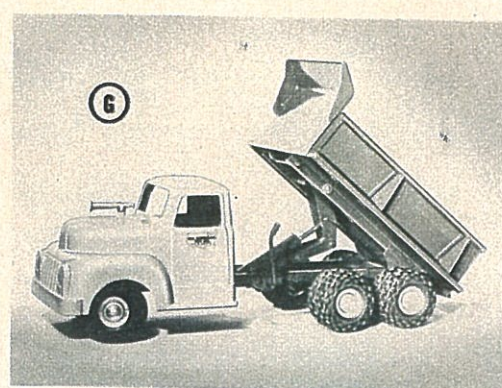

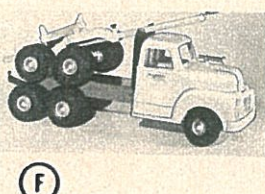

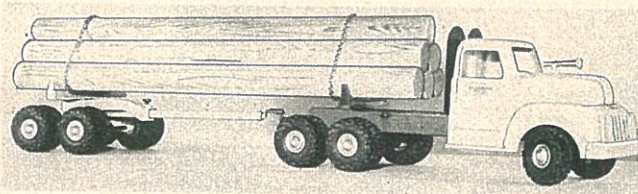

Reproduction of the Unit mobile crane painted orange and black. It lifts an astonishingly heavy load, aided by realistic movable outriggers with jacks. All action is controlled by cranks and gears, including (360°) swing of cab and the 19½" boom. Both hook and "clam shell" attachments are standard equipment. 11½" long. Ship. wt. 9 lbs.

D 27-168 AMERICAN-LAFRANCE AERIAL LADDER TRUCK\$15.95

A masterpiece in miniature. Its aluminum ladders, mounted on a rotating base (360°) elevates and extends nearly 4' above the ground by thumb-screw action. A mock searchlight, bell and two aluminum scaling ladders add to the compelling realism. Overall length 33", height 42". Ship. wt. 11 lbs.

E 27-171 HEILINER SCRAPER\$15.95

(5 yrs. up)—An authorized scale reproduction of the monster "Heiliner Scraper" that actually performs the same work—loads easily and quickly, heavy dirt loads are easily carried and fool-proof finger flick operation makes dumping instantaneous. Heavy steel construction, rubber tired wheels. Nearly 30" long overall. Ship. wt. 14 lbs.

F 12-14 TIMBER TOTER\$19.95

(4 yrs. up)—The newest, most original, and versatile working model truck built. The Timber Toter is a replica of the full scale logging trucks. It can be used as a logger, lumber, pipe or steel girder hauler, and with flat beds, stake or semi bodies, its possibilities and creative fun are unlimited. The patented Air Horn on hood acts as a steering device. Has die cast aluminum cab with baked enamel finish, welded all steel frame, trailer with adjustable boom and spring action hitch, 18 rubber tired (Goodyear) wheels. Tractor and trailer adjustable to 38" overall length. Logs not included. See below. Ship. wt. 11 lbs.

12-29 LOGS for above Timber Toter. Ship. wt. 5 lbs.\$1.50

G 12-42 DYNA-DUMP TRUCK\$18.95

(4 yrs. up)—A top quality truck of rugged construction (will support 250 lbs.) with exceptional play value. Has horn steering arrangement and self-activating spring hoist to lift body for dumping when lever is released. An all steel body, frame and die cast aluminum cab have baked enamel finish inside and out. Its ten wheels are fitted with Goodyear tires. Length, 20", width, 8", height, 7". Ship. wt. 10 lbs.

H 10-9 "RIDE 'EM" LOCOMOTIVE . \$14.50

(3 yrs. up)—Of rugged construction and material. Equipped with loud whistle and ringing bell operated by hand action. Storage space provided in coal tender. Length 28". Ship. wt. 15 lbs.
