HUSTLER TOYS *and* GAMES...

HUSTLER TOY CORPORATION

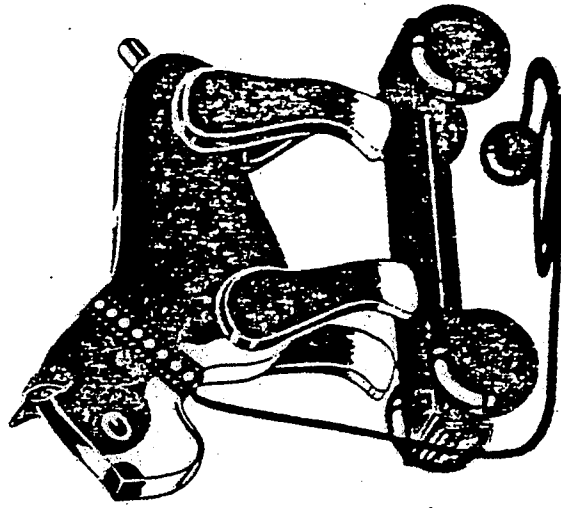

STERLING, ILLINOIS

Hustler

During the last five years HUSTLER TOYS have become nationally known through reason of their fine quality and finish, together with their quick appeal to children and in this, of course, we naturally take pride.

To offer quality merchandise consistent with reasonable prices has been our constant aim, and it is our sincere desire to co-operate in every way possible with our customers.

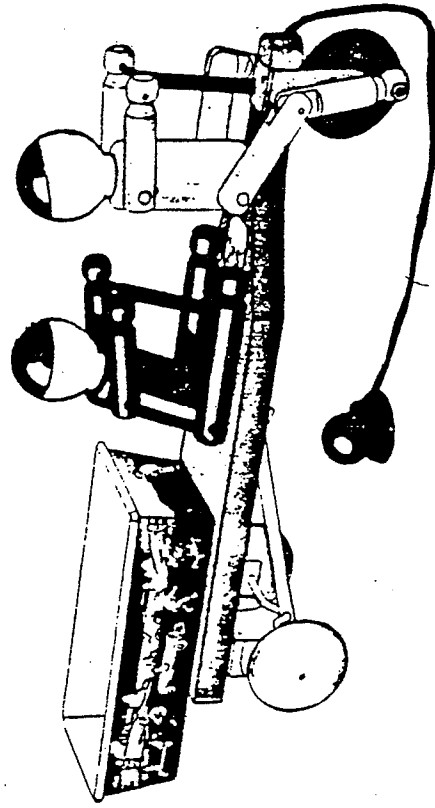

Patented January 4, 1927

Hustler Pup

Because of the sturdy way it is made and the popularity it has gained, Hustler PUP is again retained in our line this year.

He is also again to have a real bark that the children will like and, of course, his feet move in a lively manner. No better looking pup was ever put in a carton.

Packed individually in an attractive carton 4"x8"x8 3/4"; 12 cartons in a corrugated shipping container. Weight, per dozen, 16 lbs.; per gross, 192 lbs.

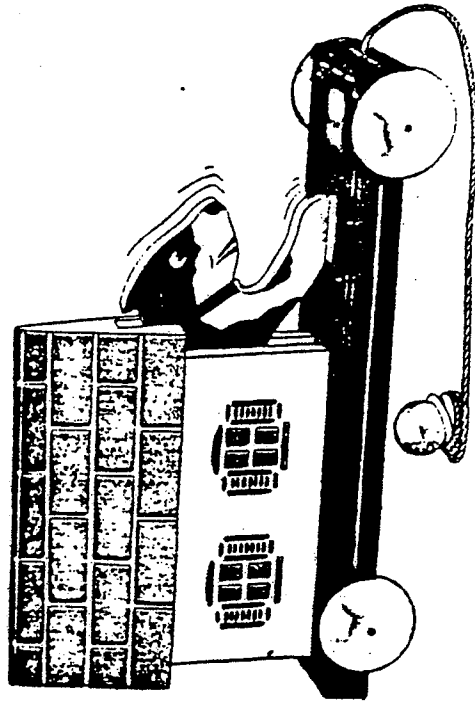

Hustler Kids

Joe and Pete unite their efforts in driving a truck. Joe's body moves back and forth while Pete is peddling with his feet, and so with their combined strength they finish every trip undertaken. Wonderful action.

Packed individually in attractive cartons a truck. Joe's body 2"x14 1/2". Weight per dozen, 18 lbs.; per gross, 216 lbs.

constructed, nicely finished in colors of pink and blue. Packed individually in an attractive carton, 1 1/2" x 3 1/2" x 5 1/2"; 12 cartons in a shipping container. Weight per dozen, 8 lbs.; per gross, 96 lbs.

Hustler "Bildkraft" Construction Set

The latest, newest and most realistic construction set on the market today. Every boy that owns a BILDKRAFT Set will get the greatest thrill he ever had. An outfit that will give him hours of fun—in building models he never could make with any other construction set. BILDKRAFT is different—there is always something new and interesting ahead. No study is needed even for the inexperienced boy to start building models with this new BILDKRAFT Set. Endorsed by engineers.

Exclusive Features

1. Heavy Adjustable Frame Plates which are interchangeable making possible the building of many additional models.

2. All engineering parts of BILDKRAFT Sets are accurately made from cold rolled steel.

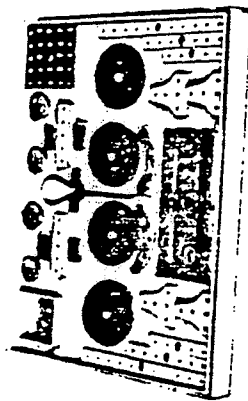

3. A flanged Splice Plate makes an especially strong joint, giving more length to girders and model parts.

4. No flanges on Base Plates to interfere in making adjustments.

5. Furnished with a double end crank shaft making it possible to put pulleys and wheels on both ends of models.

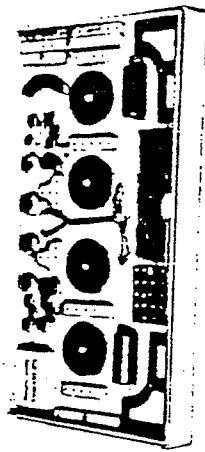

6. Wooden Wheels made with Rubber Bushings; requires no bolts or screws, making easier insertion of axles and simplifies assembling.

BILDKRAFT Construction Sets are made in two sizes; \$1.00 and \$2.50 size.

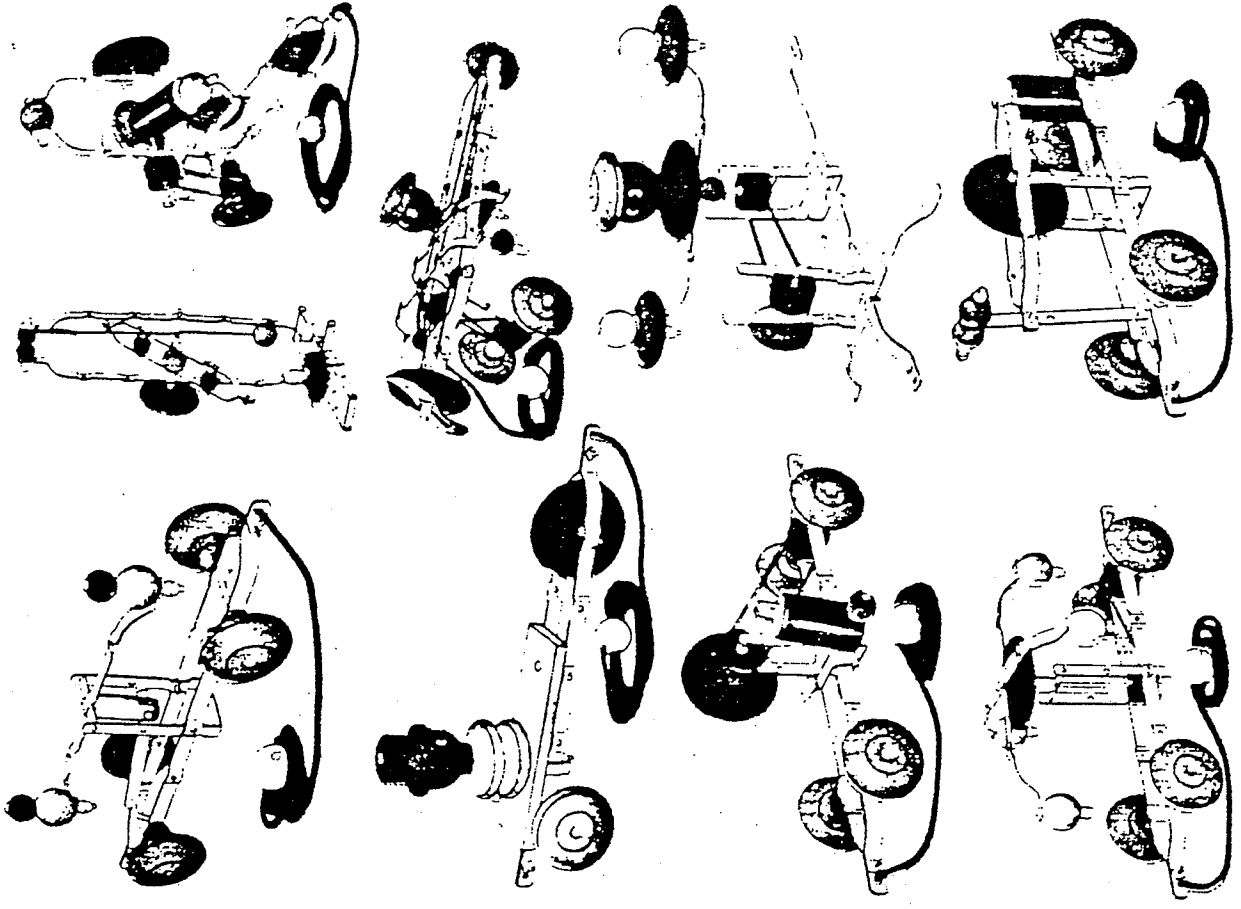

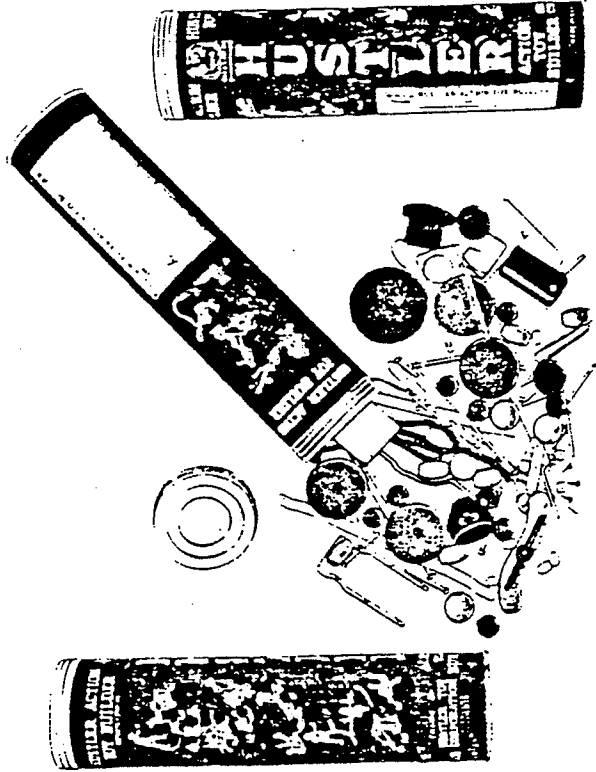

Bildkraft Set No. 1 \$1.00

Packed in an attractive carton. Approximate size, 13 1/2 x 10 x 1 1/2; weight per dozen, 30 pounds; per gross, 360 pounds.

Bildkraft Set No. 3 \$2.50

Packed in an attractive carton. Approximate size, 13 1/2 x 11 x 1 1/2; weight per dozen, 42 pounds; per gross, 504 pounds.

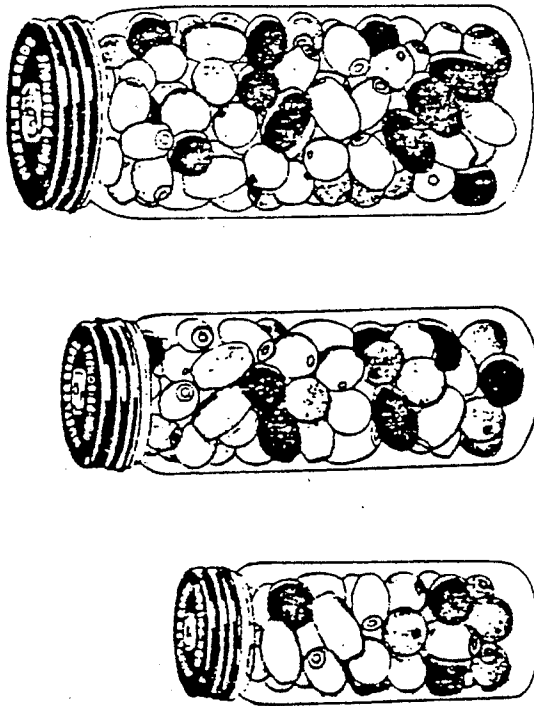

Typical Hustler Action Toy Builder Models

Hustler Action Toy Builder

A construction set with which real action toys can be built. Wood parts such as wheels and knobs are all beautifully lacquered and give a delightful effect to all toys that are built. The only Action Toy Builder on the market. Hundreds of letters received from boys and girls in the United States and Canada praise it highly.

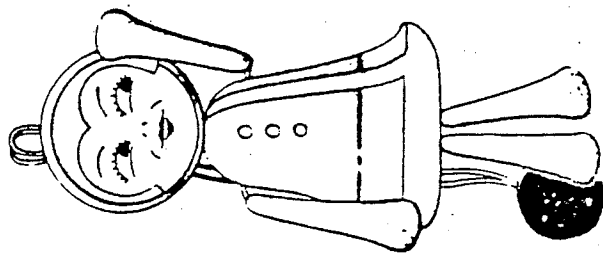

Complete instructions on how to build the many different numbers are packed with each set.

Hustler Aero Race

NEW YORK TO PARIS

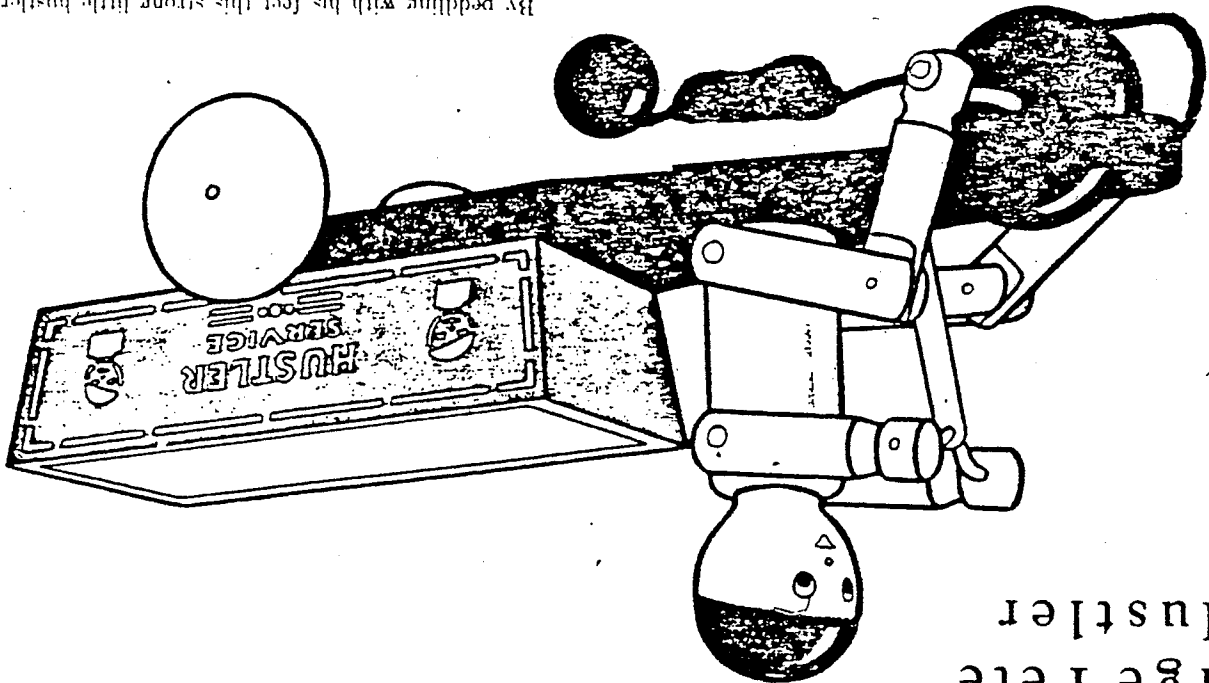

With this Aero Race Game a flight from New York to Paris will give a thrill to everyone who plays it. The mechanical shooter starts the ball through the hangar at New York on its way to Paris. There are, however, many hazards and forced landings which are apt to be encountered before finally reaching the French capital. Packed individually in a very attractive carton, 11 1/2" x 8 1/2" x 15 1/2"; 12 cartons in a shipping container; weight per dozen, 18 lbs.; per gross, 216 lbs.

Hustler Doll Carriage

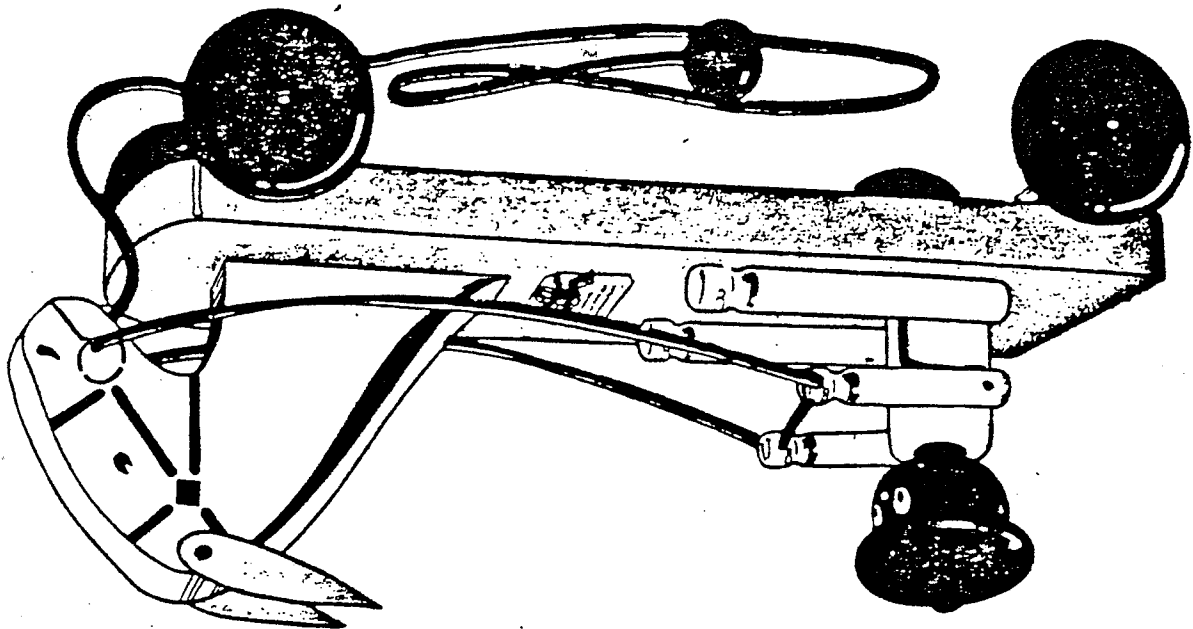

One of the prettiest numbers in the HUSTLER line. The girls will be delighted to carry their dolls in this pretty carriage. By a slight pull of the cord the pony's head will move in almost any direction. Beautifully lacquered in four colors: blue, pink, white and ivory. Wood constructed. Packed individually in a strong carton 7 1/2" x 12" x 18 1/2". Weight 5 1/2 lbs.

By peddling with his feet this strong little hustler is willing to haul any number of loads of sand from the sand pile for boys that like to build sand houses. Pete's truck measures approximately 28 inches x 23". Weight, 5 3/4 lbs.

Large Pete Hustler

Packed individually in a strong corrugated carton. 7 5/8" x 11 1/2" x 2 1/2". Weight, 8 3/4 lbs.

Large Sambo Hustler

Just like the small Sambo, the big Sambo moves his arms and yanks the reins in an effort to make his stubborn mule go. However, BIG SAMBO soon makes his mule obey and they start off at a peaceful gait.

All Hustler Toys

are packed in unusually attractive four color cartons and make ideal displays for windows and showcases.

Mats or electrotypes can be furnished of any number shown in this catalog
