

# An Amazing Value

## This Attractive Lincoln Wren House

### \$1.00

Here is an unusually attractive bird house—that **only** wrens can use. It looks like a miniature log cabin. It is made of wood, tinted a soft brown color that **attracts** the wren; and has a substantial, weatherproof wood roof.

The song of the wren is melodious and flutelike—its amusing ways make it a favorite with everyone. It destroys large numbers of obnoxious insects; it never hesitates to attack dogs, cats, swallows, and other birds when they near its habitation. But it is astonishingly friendly to human beings.

The Lincoln Wren House can only be inhabited by the wren—and it is built to especially attract them. In appearance it is the equal of wren houses costing five to seven dollars. And yet because we build in tremendous quantities—and ship **knock-ed-down**, in a form that any child can quickly put together—we are able to sell this attractive bird house for only \$1.00—prepaid. (West of Denver and Canada \$1.25.)

Here is a real bird house bargain that you should take advantage of!
