

# LINCOLN LOGS

*Make the  
children happy  
on  
Christmas Day  
and every day  
throughout  
the year*

Unbreakable, clean, notched logs with no sharp corners.

The **GIRLS** build houses and chairs for their dolls.

The **BOYS** erect bridges for the trains, forts for the soldiers and farm buildings and fences for the animals.

They build permanent things that may be used for gifts, such as flower boxes, bird houses, etc.

It is a joy to the child of four to find he can build a real cabin unaided by the grown up.

It is good fun for the older children to create an article not suggested in the design book.

Shut-in children can build houses in their laps.

Prizes offered for original designs.
