

## DE LUXE LINCOLN LOG SET

The manufacturers of Lincoln Logs have developed a new set, unusually complete and fascinating to the young builder. It contains 180 pieces including: the new large sized round Lincoln Logs  $\frac{3}{4}$ " in diameter, with extra long logs; the large Lincoln Square Timbers  $\frac{3}{4}$ " square; wheels; and 13 unbreakable metal figures of Soldiers of 1812, Indians, Pioneers, and Farm Animals. The round Logs and square Timbers are interchangeable in building, thereby adding many new designs and unlimited scope for the child's creative ability. A fine design book is included, as well as a strong mesh bag for holding the logs when not in use. Price, prepaid, \$5.00.
