ORIGINAL LINCOLN LOGS

Wooden Construction Toys for
Boys and Girls—6 to 12 years of age

★ While children build miniature Log Cabins, Fences, Wagons, Bridges, Block Houses, etc., let them dream of the Pioneers who made our country what it is . . . of the men and women who are now defending it, and of the part they themselves may some day play.

Fortunately our Government recognizes that Toys are essential in maintaining morale, and we are still able to make Wooden Toys even though the use of metal in toys has been restricted.
