T-22A

T22-A—ROBIN HOOD MEDIEVAL CASTLE SET by L. Marx (4-12 years). The jolly adventures of the Sherwood Forest band come to life in exciting fashion. Most of the happenings occur around the 29¾"x13¾"x13½" lithographed steel castle. Unbreakable figures, 40 in all, include Robin Hood, Maid Marian, Friar Tuck, Little John and the entire cast. Mounted and foot soldiers in armor assume realistic positions. Catapult and mortars included. **5.98**

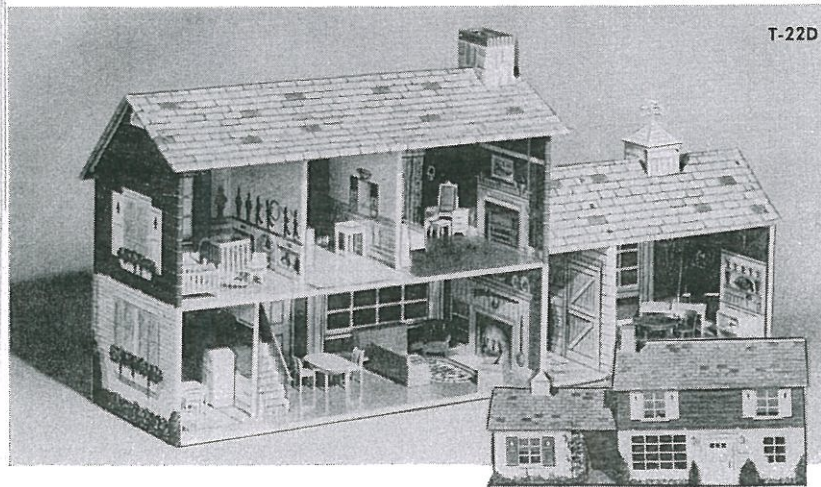

T-22B

T22-B—REVOLUTIONARY WAR SET by L. Marx (4-12 years). An authentic representation of an exciting phase of our country's history. It's fun to assemble the lithographed steel headquarters. 10½"x4¾"x7½" which serves as the center of activity. 36 Colonial soldiers oppose 15 fierce Redskin warriors and 36 attacking British Redcoats. The 2¼" vinyl figures stand, kneel or charge in realistic action poses. The set also includes saddled horses and other plastic accessories, one heavy shooting cannon, 2 light shooting cannon. Ramrod swab, shot and shell. **5.98**

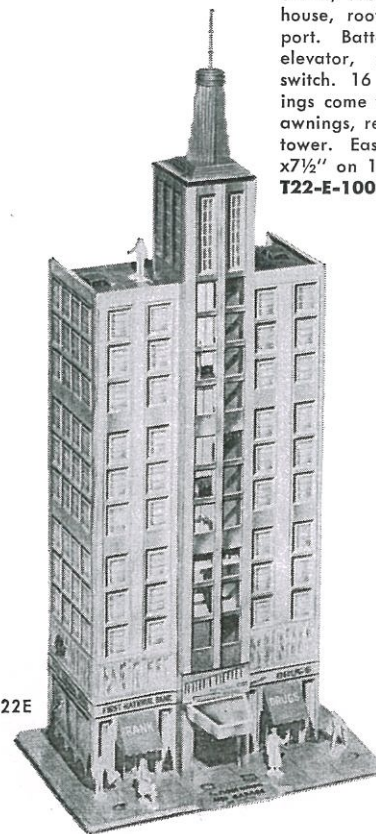

T-22C

T22-C—COLONIAL DOLL HOUSE WITH SUN DECK by L. Marx (4-12 years). If you love a little girl, very, very much, there's little else you can give her that will please her as much. She can play for hours, rearranging plastic furniture in the individually decorated rooms. There's a dining room, kitchen, bedroom, nursery, utility room, patio . . . and a stairway rises from the living room. Colorfully lithographed steel, measures 33½"x12"x18¾". **9.98**

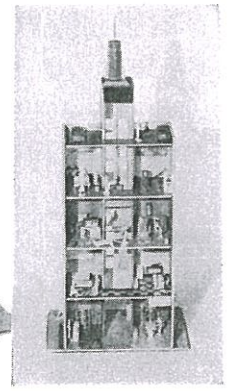

T-22D

T22-D—COLONIAL DOLL HOUSE by L. Marx (3-9 years). The surge to the suburbs begins right here, with Colonial styling on a miniature scale. Brightly lithographed metal house, 31"x15"x9", has safe, turned edges. Scaled furniture, in durable plastic, offers a welcome chance to experiment with room decorating. Featured is the breezeway fun-room for family use. **4.98**

T-22E

T22-E—SKYSCRAPER WITH ELEVATOR by L. Marx (4-10 years). A youngster's prized possession when he wants to spend "a day at the office." Rear of the building is cut away to reveal lithographed bank, drug store, offices, recreation rooms, club, warehouse, rooftop parking lot and heliport. Battery powers the building's elevator, controlled by an on-off switch. 16 plastic figures and furnishings come with the set, and there are awnings, revolving doors, canopy and tower. Easy to assemble. 36½"x13"x7½" on 16¾"x11" base. **7.98**
T22-E-100—Battery extra, 1 for 20¢

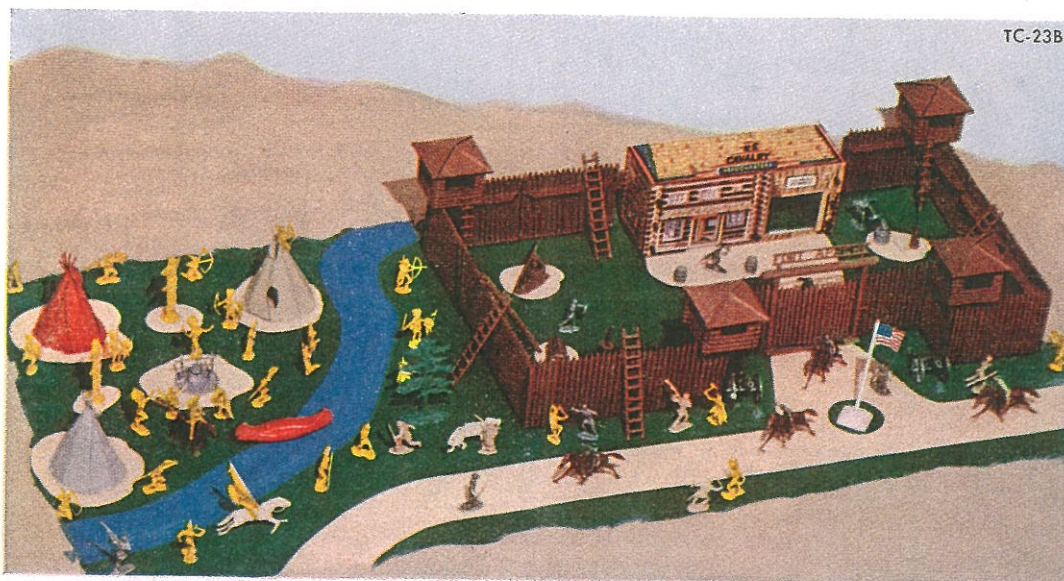

TC-23A

T23-A—SUPER U. S. ARMED FORCES TRAINING CENTER by Marx (4-12 years). Count on a boy's fascination in things military. More than 100 lifelike soldiers, sailors, marines and airmen are billeted in pup tents and a scout tent, with headquarters an 11½"x6"x6½" lithographed steel building. Weapons include non-recoil rifles, bazookas, 50 and 30 caliber machine guns . . . all plastic. Metal jets and jeep have friction motors; plastic helicopter's rotors whirl realistically. Radar scanning unit, anti-aircraft gun and searchlight are on swivel bases. Moving parts protect against air attacks. Best of all, 3 Nike launchers fire their own guided missiles. **7.98**

perfect scale *Realism* in multiple-piece play sets

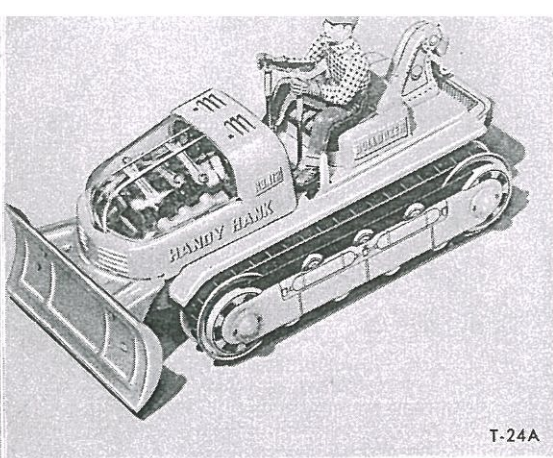

TC-23B

T23-B—FORT APACHE SET by L. Marx (4-12 years). An Indian village, almost in the shadow of Fort Apache, menaces the outpost of the West. The stockade consists of 14 sections of 4½"-high fence with four blockhouses. Inside, U.S. Cavalry Headquarters measures 13¼"x6¾"x4½"; log cabin style pegs set off the lithographed steel building. 20 men (plastic), with rifles and sabres, guard the fort with the aid of two cannons that actually shoot. In the Indian village are 30 warriors with bows and arrows, tomahawks, shields and war standards. Also, includes horses, ladders, a tree, well with bucket, churn, powder kegs, woodpile, anvil, chopping block. **7.98**

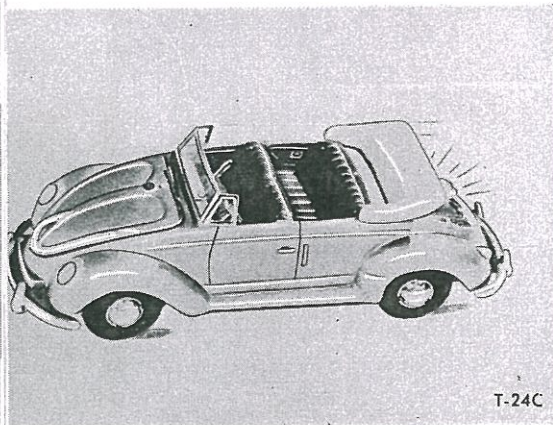

TC-23C

T23-C—ROY ROGERS WESTERN TOWN PLAY SET by L. Marx (4-12 years). "Stagecoach coming!" This time, there's an ominous ring to the cry. Thirty Indian warriors prepare to attack the Wells Fargo Coach as it pulls into town. Ranged against them are eighteen frontiersmen with six horses. All the figures are lifelike plastic, armed to the teeth and spoiling for action. The Western street ranch and Indian village are extra-big jumbo replicas of the real thing. Buildings are 27½"x6" and 11"x7" . . . both colorfully lithographed. **7.98**
